

Walsh Trucking pay for DOT physicals once every two years for all active full time employees who have worked 6 months or more and who are required to have a CDL medical card. This is a courtesy to our drivers as it is not the company's responsibility to pay for these physicals. It is the drivers' responsibility to provide a valid medical card. Please make sure to take care of this renewal prior to your card's expiration. If your card expires you will not be able to drive until you get one renewed.

The contracted locations listed below are able to directly bill Walsh Trucking for DOT physicals with prior authorization from the Company. Employees are responsible for paying the clinic directly for DOT physicals that are done at non-contracted locations. The company can refund employees up to \$115.00 for physicals if the DOT physical qualifies for reimbursement. Please contact your Terminal Manager or the Corporate office in Troutdale to make an appointment.
